3. ADDITIONAL ROADWAYS AND ADJACENT PROPERTY: Grantor may construct additional roadways upon the Property and those roadways shall be considered Roadways for all purposes under this Declaration upon Grantor recording an amendment to this Declaration adding said additional Roadways. The additional Roadways shall be subject to the terms of this Declaration and shall benefit the Grantor and the Owners who shall have permanent, non-exclusive access and utility easements over those additional Roadways. In the event any adjacent property is acquired by Grantor, then Grantor may, at Grantor's option, extend the existing Roadways and Utility Easements so as to provide access and utility service to said adjacent property, and/or change the location of existing Roadways (so long as Grantor still owns the portion of the property adjacent to said Roadway being relocated). Off-road vehicles such as A.T.V.'s, three (3) or four (4) wheel vehicles, go carts, dirt bikes, etc., shall not be ridden upon or across the Roadways or any other Parcel. A copy of the plans, including the signed approval must be available on the property at all times during construction. Parcel Owners shall be responsible for all erosion control during construction and during improvement upon their Parcel. The exterior of the residence or outbuilding shall be completed within six (6) months of the construction start date. Landscaping, seeding and grading shall be completed within nine (9) months of the construction start date. Plans shall be submitted to the Trustees prior to commencement of construction and be rejected or accepted by the Trustees within fourteen (14) days. If the Trustees fail to reject or accept said plans during the fourteen (14) day period, acceptance shall be conclusively presumed, however, the Grantor shall not be required to approve plans within fourteen (14) days and no acceptance shall be

Compliance therewith shall be the sole responsibility of such Parcel Owner. The Grantor specifically reserves the right to enter onto any Parcel or cause such entry by a third party whether before or after sale of the Parcel to obtain an engineer's study as to soil composition, location, and specifications for a sewage waste disposal system on the Parcel, if required. No Parcel Owner shall commence construction of a residence until approval for the sewage waste disposal system is obtained from all local governmental, State of Missouri agencies and federal agencies having jurisdiction.

9. PONDS AND LAKES: Owners who share lakes and/or ponds with other owners shall have the non-exclusive right in common with other owners of property abutting the lake to use the surface of the entire lake, a portion of which is located upon the property, subject to an obligation to maintain the lake, dam and associated improvements jointly with the other abutting property owners (regardless of the possibility that said maintenance or repair work may be required on an abutting property) and to contribute a pro-rata share, as defined herein, of the costs of said maintenance and repair work. The Owner's pro-rata share shall be a fraction equal to one (1) divided by the total number of owners owning a portion of the abutting lake. Owner by accepting deed to property acknowledges the maintenance and repair responsibilities set forth herein. Each owner which owns property abutting any such lake or pond shall have the right to enter upon any other owner's property abutting the same lake or pond as is necessary to perform maintenance and/or repair responsibilities contemplated in this paragraph. The use of gasoline powered engines on any lake or pond shall be prohibited.

10. ROADWAY PAVEMENT: Pavement of Roadways shall not include any gutters, curbs or sidewalks and is more particularly described in other materials to be provided by Grantor to prospective Owners. The Roadway Fund shall be used for pavement of the Roadways and for future Roadway maintenance and repair. If the Roadway Fund is not sufficient, each Parcel is to be assessed specifically and equally to pay the shortage in the manner provided in paragraph 13 hereof and with the power of lien and collection as provided in paragraphs 16 and 17 hereof. The special assessment for Roadway paving shall not be subject to the vote of Owners, but shall be determined solely by the Trustees, if it is needed. If the Roadway Fund is not sufficient, the Roadway

paving work will not commence or continue until all special assessments have been paid in full. This assessment, if necessary, is a special assessment and shall not replace or reduce the annual Assessments. The Trustees shall have the responsibility for contracting for the installation of the Roadway paving. A special assessment of Three Hundred Dollars (\$300.00) shall be collected for the Roadway Fund from each Owner upon commencement of building construction.

In the event that suit is filed to enjoin the violating Owner's acts or omissions and if the Enforcing Owners instituting such suit prevail, whether by judgment or settlement, the Violating Owner shall (in addition to any damages or other relief granted) pay all reasonable attorney's fees and costs incurred by the Enforcing Owners in connection with prosecution of the injunction and/or damage action, as approved by the court rendering said relief.

13. ASSESSMENTS: The roads constructed in the Roadways and the street lights shall be operated, maintained, repaired and, if necessary, replaced by the Trustees at the expense of the Parcel Owners. Each Parcel Owner shall be liable for an annual assessment of Two Hundred and Fifty Dollars (\$250.00) ("Road Assessment"). The Road Assessment shall be payable by each Parcel Owner without regard to whether said Parcel is developed or is utilizing the Roadway System. Said assessment shall constitute a lien against each Parcel and be subject to collection as provided in paragraphs 16 and 17 hereof. The first annual Road Assessment shall be Two Hundred and Fifty Dollars (\$250.00) and shall be due and payable on the closing date of the sale of a Parcel, without proration and without regard to the closing date of the sale of said Parcel. The annual Road Assessment shall be due and payable on the first Saturday of May each year and shall be delinquent if not paid by May 15th of each year. The Road Assessment are herein collectively referred to as "Assessments." The Parcel Owner of any Parcel held by Grantor, a subsidiary or affiliated entity of Grantor, any of Grantor's officers or any entity which is owned in whole or in part by Grantor or any of Grantor's officers shall not be responsible for payment of any assessment contemplated by this paragraph and any such assessment shall not become a lien on any Parcel so owned. Assessments may be changed pursuant to paragraphs 14 and 15 hereof. Damage to the Roadways caused by construction equipment or delivery trucks during construction of any improvements on a

Parcel shall be repaired by and at the expense of the Owner of the Parcel for whom said construction is being performed.

14. TRUSTEES. The Grantor shall, prior to the conveyance of all of the Parcels, have complete control over all matters contained in this Declaration or otherwise affecting the Property and shall be the Trustees referred to herein. Prior to the conveyance of all of the Parcels, references in this Declaration to Trustees shall be deemed to refer to Grantor. Grantor shall upon the earlier of (i) four (4) years after the date hereof, or (ii) following the conveyance of all of the Parcels within the Property (and any Parcels added to this Declaration) designate in writing three (3) Owners to serve as Trustees. The Owners so appointed shall serve as Trustees until a meeting of Owners is called as herein provided and successor Trustees are elected by the Owners. Following Grantor's appointment of Trustees, annual meetings shall be held on the first Saturday of May of each year. After the conveyance of all of the Parcels, the Trustees or the Owners of at least three (3) Parcels may at any time call a special meeting of the Parcel Owners by sending notice by mail to all Parcel Owners at least fourteen (14) days prior to the time and date set for the meeting. Said notice shall specify the purpose of the meeting. All such meetings shall be held at a convenient time and place, within the limits of Warren County, Missouri. Notwithstanding the other provisions hereof, Grantor may elect to appoint Trustees and transfer control to such Trustees at any time prior to such time as required herein.

15. CONDUCT OF MEETINGS, VOTING AND AMENDMENTS: The Trustees appointed by Grantor shall be designated by Grantor as chairman, secretary, and treasurer, and shall serve only until a successor to each office is elected at a first meeting of Owners or at a subsequent meeting. The Trustee designated chairman shall preside over meetings and collect and disburse Assessments. Each Trustee selected or elected as chairman, secretary, and/or treasurer shall be elected to a one-year term, but shall serve until a successor is duly selected at a subsequent meeting of the then Owners of the Property as hereinabove provided. Election for each office shall require an individual to receive more votes for that office than any other person who was nominated for election to the same office. All books, records, bank accounts and statements of account shall be made available to such successor Trustee. In the event that a Trustee selected as secretary, treasurer, or chairman as hereinabove provided shall desire to resign then and, in such event, such Trustee may resign by giving written notice to the remaining Trustee(s). The remaining Trustee(s) shall appoint a successor Trustee, which successor Trustee shall be an Owner of a Parcel. The liability of any Trustee serving as treasurer, secretary or chairman hereunder shall be limited to the actual amount of funds collected from assessments which are paid to such Trustee. In no event shall any Trustee receiving funds be liable for the quality of workmanship or failure of performance of any person selected in good faith, and paid in good faith, for work done in connection with the Roadways as hereinabove described. Voting at meeting shall be done in person or by proxy by the Owner of a Parcel or if a Parcel has more than one Owner, then the person designated in writing by all of the Owners of that Parcel is entitled to cast the vote for

said Parcel. Each Parcel shall be entitled to one (1) vote. If an Owner acquires more than one Parcel, said Owner shall have one (1) vote for each such Parcel and pay assessments on each such Parcel. Grantor may cast one (1) vote for each and every actual and proposed Parcel within the Property. A written proxy may be used to cast the vote of a Parcel if it designates a person to vote said proxy at the specified meeting or casts a vote on a particular issue and is signed by all of the Owners of the Parcel. If the meeting pertains to the Assessments, then a seventy-five percent (75%) majority of Owners present (in person or by proxy) at a meeting in which a quorum is established shall be necessary to increase or reduce the Assessment or create an additional Assessment, except for the special assessment, if required, for the asphalt paving of the Roadways as to which no vote shall be taken. A quorum shall be attained at a meeting only when seventy-five percent (75%) of all Parcel Owners are present in person or by proxy. If the meeting is for any purpose other than the Assessments, the affirmative vote of at least seventy-five percent (75%) of the Parcel Owners shall be necessary to accomplish the purpose of the meeting. Each Parcel shall be entitled to one vote regardless of the size of Parcel or number of Owners. Votes may be made by proxy. At such time as all of the Parcels of Property have been conveyed by Grantor, the Roadways and Utility Easements created pursuant hereto shall not be limited to the 20-year term of the restrictions contained in this Declaration, but shall continue in perpetuity as covenants running with the land. No amendment to this Declaration proposed by the Owners shall be valid and binding until the Grantor has sold 100% of the Parcels of the Property, unless Grantor consents to said amendment. Any provision of this Declaration to the contrary notwithstanding, Following the sale of all of the Parcels, no amendment to this Declaration shall be valid and binding upon Owners unless the same shall have been made in writing, duly executed by the Owners of Seventy-five (75%) of the Parcels of the Property and notarized and recorded in the Office of the Recorder of Deeds, Warren County, Missouri.

16. LIEN FOR UNPAID ASSESSMENTS: Any Assessment levied shall be due and payable thirty (30) days after its approval as hereinabove set forth. An Assessment levied in accordance with the provisions hereof shall be binding upon all of the Owners. In the event that said Assessments are not paid as and when same are due, the Trustee serving as secretary of said meeting at which said Assessment was duly approved shall no later than one hundred eighty (180) days after the approval of such Assessment cause to be recorded in the office of the Recorder of Deeds of Warren County, Missouri, a notice that said assessment is due and owing, which notice shall recite the time and place of meeting, that a quorum was present, the amount of the Assessment so voted upon at said meeting, the name of the Owner(s) who have failed to pay said Assessment, the description of the Parcel(s) of said Owner(s) and that the person signing said statement was duly selected to record the proceedings of said meeting. In addition to the lien provided, the chairman, secretary and/or treasurer as selected at said meeting or any Owner may, on their own behalf and on behalf of Owners, bring suit against any Owner who shall fail to pay said Assessment. In the event that no such suit is filed within three (3) years after the date of filing of any statement in the Office of the Recorder of Deeds

of Warren County, Missouri, then and in such event, the lien provided for herein shall lapse.

17. COLLECTION OF ASSESSMENT: In the event that a suit is filed to enforce the lien as hereinabove provided, then the Owner against whom such lien is sought shall pay all reasonable attorney's fees and costs incurred by the Trustees or the enforcing Owners as the case may be in connection with the prosecution of said lien, as approved by a court of competent jurisdiction. Said attorney's fees and costs shall be added to the amount of the lien upon judgment to enforce same. Upon rendition of a final judgment, it may be enforced and executed in the manner provided by law, including, without limitation, execution upon the Parcel against which the lien was imposed.

18. TRANSFER OF PROPERTY: Any sale, transfer or conveyance of ownership or lease of Parcels shall include in the sale, transfer or conveyance or lease documents a provision that the purchaser or lessee acknowledges, understands and agrees to be bound by this Declaration.

19. PARCELS AND SUBDIVISION. A Parcel shall retain its character as a separate Parcel, even though the same Owner acquires two or more contiguous Parcels. Each such Parcel shall be deemed one (1) Parcel under this Declaration, subject to one (1) assessment and one (1) vote as herein provided. No Parcel may be less than three (3) acres in size and no parcel shall be subdivided after the original conveyance by Grantor. Any such attempted subdivision or conveyance in contravention of the foregoing restrictions shall be void. No oil, gas, coal, mineral or rock or gravel rights shall be sold separately from the Property, and no such materials shall be mined or extracted from any Parcel.

20. SUBDIVISION PLAT: Grantor has caused the subdivision Plat to be filed for the Property (with each Parcel depicted, with a lot number assigned to said Parcel). Grantor may amend the Plat prior to the sale of all Parcels to effect boundary adjustments between Parcels, create new Parcels or combine Parcels (provided same are owned by Grantor) without any Parcel Owner's joinder or consent, each such Parcel Owner appointing Grantor as the agent and attorney in fact for such purpose.

21. DURATION: The provisions concerning the Roadways and Utility easements contained in Paragraphs 1 and 2 shall be deemed covenants running with the land once all the Parcels have been sold by the Grantor and shall have perpetual existence. The remaining provisions of this Declaration, shall run for a period of twenty (20) years unless extended, terminated or modified by a vote of the Owners of seventy- five percent (75%) of the Parcels of the Property, each Parcel to be entitled to one vote without regard to the number of Owners of a Parcel or the size of said Parcel, provided that no Parcel shall be denied access rights over the Roadways and utility easements by such termination.
