¹MORTGAGE FIRST is a service available exclusively from Rocket Mortgage. Rocket Mortgage verifies the home buyer's income, reviews credit, and underwrites the proposed loan without an identified property. Not all properties are eligible. Once a property has been identified and approved, Rocket Mortgage may issue final loan approval. The interest rate does not lock until a contract is entered, and so rates may change without notice. Other conditions and restrictions may apply. No loan will be made without buyer's provision of insurance, an adequate appraisal, and clear title. This a down payment is not an offer to lend and does not empower you to accept any loan agreement. MORTGAGE FIRST terms and conditions may change without notice.
